

Diagram illustrating the connection of the SM331 AI 2X15BIT module to the power supply.

The module is divided into sections:

- 1** to **20**: AI 2X15BIT (32 bits)
- 21** to **32**: PESO LAMIERA SU CENTRATORE (PEW256)
- 33** to **35**: RISERVA (PEW258)

Connections:

- Pin **1** is connected to the **+13** supply.
- Pin **20** is connected to the **-** supply.
- Pin **32** is connected to the **PEW256+** supply.
- Pin **33** is connected to the **PEW256-** supply.
- Pin **34** is connected to the **+13** supply.
- Pin **35** is connected to the **-** supply.

Legend:

- +13**: Positive 13V supply
- : Ground
