Dear Sirs,

as per subject we are glad to request :

Your Technical proposal for a *possible frame agreement with object the WTG generator refurbishment* as explained in attached form.

Please find also attached ERG General Terms and Conditions, which are reference for the potential supply contract.

Your **technical proposal without prices** (related to Work activity detail) shall be delivered **within, June the 29th at 16:00 PM.**

*[Technical proposal means: the description with technical details of how you could carry out what requested in our enquiry. Moreover you can send copy of your certifications, reference list and whatever useful to clarify technical quality of your company and of the way you would carry out the works. Please do not include any commercial information (payment terms, warranty, delivery time, etc. in your technical proposal).]*

Please acknowledge receipt of this e-mail.

**Please be so kind to create Ariba Account on**

**<http://ergrenew.supplier.ariba.com/ad/register/SSOActions?type=full> for the bidding in case of not yet registration.**

We look forward to hearing from you.

Thank you for your valued cooperation,

Valentino Zuppa
