Supported networks and updated coverage at the following link: <https://1nce.com/en/coverage/>

The services described are provided in accordance with 1NCE's General Terms and Conditions and are solely altered in terms of data consumption quota and lifetime duration.

Please note that this document is merely an indication of the price on the basis of which the parties must enter into an agreement to be concluded. Therefore, no claims can be deduced from this document.

Our services essentially consist of (a) the provision of access to mobile communication for M2M applications, (b) the provision of narrowband mobile data communications services and (c) the provision of additional network services and other related services – in each case in accordance with our service description which specifies in further detail the type and scope of our services. We have attached our service description for your information (see Annex to our GTC). Further useful information about our services can also be found in the FAQ section of our website ([1nce.com/faq](https://1nce.com/faq)). Our General Terms and Conditions for M2M mobile communications services, version as of 07/2018 ("GTC"), apply to this offer and the subsequent conclusion of a contract. We enclose these GTC for your information. You may also access the GTC at any time via our website ([1nce.com/gtc](https://1nce.com/gtc)).
