Your Ref: RFQ 2300015\_REM\_1100kW

Our Ref: Offer No. / 14930 / 2023

Dear Sir,

We would like to thank you for the above referenced enquiry and have pleasure in quoting of ATB SEVER goods and services as follows.

Our quotation is subject to confirmation against receipt from you of detailed supply data , load data, starting duty and all other relevant specifications and information.

Goods and services which are not explicitly described within our technical and /or commercial quotation are not included/considered.

All listed motor/generator data are subject to IEC tolerances unless otherwise stated in the offer.

The quoted prices and conditions are valid only in case the order will be placed at once for all quoted items and quantities.

We trust you find our offer of interest and would welcome the opportunity to meet and discuss this in near future.

If you require any further information do not hesitate to contact us.

The quotation include:

- A - Price schedule
- B - Technical specification
- C - Commercial conditions
- D - Attachments

Yours faithfully,

Stefano Da Riz – Distribution Sales Director EMEA

**A - PRICE SCHEDULE**
