

Sono completi di accessori metallici (campane, sagole, vari uncini terminali) con coeff. di sicurezza 4, come previsto dalla EN 1492-1,2.

**SONO PARTICOLARMENTE INDICATI QUANDO LA BRACA NON DEVE CONDURRE ELETTRICITA'**

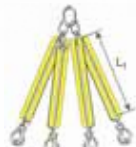

They are complete of steel accessories (master links, webbing links, hook) with safety factor 4, according to EN1492-1,2.

**THEY ARE PARTICULARLY SUITABLE WHEN THE LIFTING SLINGS DON'T HAVE TO CONDUCT ELECTRICITY**

### COME ORDINARE HOW TO ORDER

Inserire nella parte finale del codice il valore in metri della sola braca (L= 0,5 - 1)

Insert in the code final part the requested length in meters of only sling (L= 0,5 - 1).

TIPO FUNE - nr tratti / tipo gancio / Lunghezza

2 t / 2 tratti / gancio SH / 

RST2 /  /  / 

Lunghezza (della sola braca)  
In multipli di 0,5 m

Length (of sling only)  
In increments of 0,5 m
