Quotation Ref: Q7532A

12<sup>th</sup> September 2013

Your Ref: BCT Bench Mounted Coil Taping Machines

Dear Mr. Spaziani,

Many thanks for your valued enquiry we received via the internet on 28/06/2013 for our DTM-25/25 taping machine.

Offering a low cost machine taping solution, BCT coil tapers and their associated handling equipment are today in uses around the world. Easy to operate, they produce consistent taping at up to 8 times the speed of traditional methods.

As requested, please find detailed below our quotation for the machine. **I have also provided you with a quotation for our BCT16/30VLDM bench mounted coil taping machine. This model provides controlled variable lapping and powered drive roller ensuring constant taping accuracy.**

Part Description	Quantity Required	Price Each (Euro)	Total Price (Euro)
