The products are not classified with a specific Export Control Classification Number according to EU or domestic law of the invoicing party, unless stated otherwise in the specific line item.

The use of our Schaeffler Digital Services are subject exclusively to the General Terms and Conditions for Schaeffler Digital Services you have already accepted ([www.schaeffler.it](http://www.schaeffler.it)) and the according Service Descriptions ([www.schaeffler.com/optime](http://www.schaeffler.com/optime)).

Fulfillment of the contract is subject to the condition that it is not prevented by any impediments arising out of any national or international foreign trade regulation. The purchaser shall provide Schaeffler with all information required to enable Schaeffler to comply with such laws and regulations.
