

Safety Information for Articles

Printing date: 05.04.2013

First edition: 25.02.2011

Product Group 300 Von Roll Schweiz AG

1. Identification of the article and of the company/undertaking

- **Product details:**
 - **Trade name:** **Product Group 300 Von Roll Schweiz AG**

Cablosam, Samicatherm, Samicafilm, Samicapor, Isomica, Filosam, Epoxytherm, Miglasil, Samicaglass, Samicaflex, Novomica, Myosam, Myoflex, Epoflex, Samica-Kitt, Glasoflex, Thermival, Duritenax, Durival, Isotenax, Ruban-Prepreg, Putty Tapes, Mastic Tapes
 - **Use of the article:** Coating
 - **Manufacturer/supplier:** Von Roll Schweiz AG
 - Passwangstrasse 20, CH-4226, Breitenbach
 - Telephone +4182190214
 - **Distributor** Von Roll Reach GmbH
 Theodor-Sachs. Strasse 1, D-86199 Augsburg
 Telephone: +49 821 902 214
- Note:
In accordance with Article 8 of the REACH Regulation Von Roll REACH GmbH is the Only Representative for legal entities based outside of the EU. Von Roll REACH thereby overtakes all obligations of the Importer for the flow of information in the supply chain.
- **Further information obtainable from:** Product Safety Departement
E-mail: sds.breitenbach@vonroll.com
 - **Information in case of emergency:** +41 61 785 54 25

2. Hazards Identification

- **Hazards description:**
This product does not require labelling. Please observe the safety information of this data sheet.
- **Information concerning particular hazards to man and environment:**
Not applicable

3. Composition/information on ingredients

- **Chemical characterization:**
A mixture of the following materials with non-hazardous impurities
- **Composition:**
Laminates of polyester foil, mica, modified epoxy resin, silicon resin, glass weaving ,
Diameter of the filaments: $\geq 5 \mu\text{m}$
- **Dangerous components:** None
- **Additional information:** Not applicable

4. First aid measures

- **General information:**
No special measures required.
- **After skin contact:**
Wash with water and soap.
- **After eye contact:**
Rinse opened eye for several minutes under running water. Then consult a doctor.
- **After swallowing:**
Rinse mouth thoroughly with water.

Safety Information for Articles

Product Group 300 Von Roll Schweiz AG

5. Fire-fighting measures

- **Suitable extinguishing media:**
Water, foam, dry powder, carbon dioxide (CO₂).
 - **Extinguishing media which shall not be used for safety reasons:**
Strong water jet.
 - **Special exposure hazards arising from the article itself, combustion products, resulting gases:**
In case of burning oxides of carbon (CO), nitrogen oxides and other toxic gases or vapours may be released.
 - **Special protective equipment for fire-fighters:**
Wear self-contained breathing apparatus.
 - **Additional information:**
Do not inhale explosion and combustion gases. Collect contaminated fire extinguishing water separately. This must not be discharged into drains.
-

6. Measures in case of accidental release

- **Suitable Precautionary measures for Personnel:**
Avoid the build up of dust. Ensure proper ventilation. Do not inhale dust.
 - **Cleanup Procedure:** Only mechanically, avoid contact
-

7. Handling and Storage

- **Handling:**
 - **Information for Safe Contact:**
Dust should always be directly exhausted at its point of origin.
 - **Information regarding fire and explosion protection**
When contacting dust, the product is not explosive in its delivered form but the accumulation of dust can lead to an increased likelihood of explosion. Dust explosion category: ST 1
 - **Storage:**
 - **Requirements to be met by storerooms and receptacles:**
Store in a dry and cool place
-

8. Exposure Controls/Personal Protection

- **Additional Information about design of technical facilities:**
No further data, see item 7
 - **Ingredients with limit values that require monitoring at the workplace:**
This product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.
 - **Personal protective equipment:**
 - **General Protective and hygienic measures:**
Wash hands immediately before and after work
 - **Respiratory Protection:**
Respiratory protection is necessary if there is insufficient exhaust
Maximum allowable levels according to TRGS900: 3 mg/m³ A-dust and 10mg/m³ E-dust
 - **Hand protection:**
Gloves made of tear-resistant material (e.g. chromate-free leather) recommended. Do not wear gloves near rotary machines and tools
 - **Eye protection:**
Required when machining the material

9. Physical and Chemical Properties

- **General Information:**
 - **Form:** Solid
 - **Colour:** According to product description
 - **Odour:** Typical
 - **Melting Point:** Indeterminable
 - **Solubility:** Not water soluble
 - **Self-igniting:** Product is not self igniting
 - **Danger of Explosion:** Product does not present an explosion hazard
 - **Density:** Indeterminable
 - **Ingredients with limit values that require monitoring at the workplace:**
This product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.
-

10. Stability and reactivity

- **Thermal decomposition/conditions to avoid:**
No thermal decomposition by proper uses
 - **Hazardous reactions:**
No hazardous reactions known.
 - **Hazardous decomposition products:**
No hazardous products known
-

11. Toxicological information

- **Acute toxicity:** None
 - **Primary irritant effect**
on the skin: No irritant effect.
on the eye: No irritant effect.
-

12. Ecological information

- **General information:**
The material is not environmentally hazardous, in accordance with the criteria and the EG levelling system for the product description "environmentally hazardous" (93/21/EWG)
-

13. Disposal considerations

- **Product:**
 - **Recommendation:**
Dispose of waste according to applicable local, state and federal regulations.
 - **European Waste Catalogue:**
 - **Waste code number:**
-

14. Transport information

- **Land transport ADR/RID and GGVSE (cross-border):** -
 - **ADR/RID class:** -
 - **Marine transport IMDG/GGVSee:** -
 - **IMDG class:** -
 - **Air transport ICAO-TI and IATA-DGR:** -
 - **ICAO/IATA class:** -
 - **Transport/additional information:**
No hazardous material as defined by national and international transport regulations.
-
